

# Showcase 2010: "A Time to Be a Star"

## Suggested Time Line for Preparation:

- **March- Plan:** Select a topic, if you haven't already done so. Brainstorm and jot down ideas for your research project (resources, props, etc....) and create a plan.
- **April- Prepare :** Begin gathering sources and start researching on your topic. Ask your consultant for help or advice.
- **May- Draft:** Put your research project together.
- **June- Finalize:** Edit, revise, and add finishing touches to your project. June 11, 2010 is the big day and is time for you to showcase your research project and be a STAR!!!!
