San Diego, CA 92101

Guidelines

First talk to your students about where our water comes from, our limited supply, why it is important to conserve water, and simple ways we can use water wisely. For information and ideas about how to use water wisely, go to www.sandiego.gov/water.

Then, encourage your students to draw a poster that illustrates one important point based on this year's theme, "Water Wins!" (See examples on the front page). Students are encouraged to use few words, large lettering, heavy lines and strong colors.

Rules

1. Participating schools must be located within the City of San Diego. Entries will be accepted from teachers only.
2. Cut white poster paper size to fit 11"x14". All posters must be drawn horizontally (landscape) on 11"x14" white poster paper.
3. Students may use crayon, watercolor, poster paint, markers, ink, cut paper, tissue paper or fabric. Please do not use materials that may smear, crack or chip.
4. Students must work on posters independently. Collaborated work (a poster created by 2 or more students) will be disqualified.
5. Only original artwork will be accepted. Computer generated drawings will not be considered. Reproduction of popular cartoon characters or three-dimensional work will be disqualified.
6. Posters will not be returned. They will remain the property of the City of San Diego Water Department and may be reproduced.

Contest Entry

We ask that teachers submit 3 posters that illustrate this year's theme, "Water Wins!" to represent your class. Art teachers may submit 3 posters to represent each class, and combination classes may submit 3 posters per grade level. Please make sure to attach the student entry form with tape to the back of each poster.

Please then paper clip posters, along with the class entry form and package them so that they remain flat.
