

Dave Nuoffer

Education:

M.A. and post masters work at Oakland University, Rochester, Michigan.

Teaching Experience:

31 years in elementary and middle school at Linden, Michigan. Twelve of those years were in a multi-age middle school magnet program.

I really feel like I have found a home here at GSDA. I have always looked for the best way to educate each child and it is truly refreshing to work with parents and consultants who feel the same way. My wife, Jane, and I have raised 6 children so we know the demands of a busy family life. Our hobbies include reading, travel and visiting our children and grandchildren.
