

# Jennifer Glatt

**I received my B.A. and teaching credential from the University of Redlands in 1997 and since then have gone on to acquire my CLAD Certificate from National University and my Professional Clear through the UCLA Extension Program. I started with GSDA in North County at the San Marcos location in 2007. Prior to joining the GSDA Team, I taught in the classroom at the elementary level for 7 years and I also spent a year teaching basic ball skills and sports to preschoolers to help them develop fine and gross motor skills while at the same time promoting the concept of teamwork. I was born in California and grew up in the beautiful and peaceful mountains of Malibu where I enjoyed a wonderful childhood. When I am not teaching, I enjoy watching and participating in a variety of sporting activities, traveling, and spending time with family and friends. My favorite thing to do is spend time with my husband and our son Dylan who was born in December of 2007.**
