

Grace Ingrande

I graduated from San Diego State University with a B.A. in Psychology. I then went on to work for 5 years at Oak Grove Middle School as an Instructional Aide in the Special Day Class. I received my teaching credential from Christian Heritage College in 2004 and worked as a substitute teacher for the Jamul/Dulzura and Cajon Valley school districts. Being a substitute teacher was a wonderful experience because I was able to learn and grow from teaching in different environments and working with a diverse student population. I enjoy watching students grow and achieve their academic and social goals.

On my free time I enjoy spending time with my family and friends. I also love to ride, train and show my horse.

I am very pleased to be a consultant for the Greater San Diego Academy and look forward to a wonderful year with everyone!
