

You haven't seen PETCO Park until you've gone behind-the-scenes on one of their guided tours! Discover "writer's row" in the press box, learn about the historic Western Metal Supply Co. Building and explore the Padres dugout. The crown jewel of downtown San Diego, PETCO Park serves up baseball Southern California style-complete with swaying palm trees and a sandy beach beyond center field. This event is about 80 min. and includes 1 ½ mile walking. Bring a lunch and after the tour enjoy the rest of the day at the Park in the Park.
