

Mission San Luis Rey Field Trip

Description:

Come and enjoy a self-guide tour through Mission San Luis Rey, 18th of the 21 California Missions. Tucked away in a quiet North County valley, just a few miles from the Pacific Coast, lies this majestic jewel of early California history called Mission San Luis Rey. Walking through the Sunken Gardens or along the arched colonnade, it is easy to imagine the everyday life of the padres and Indians who inhabited the Mission more than a century ago. Mission San Luis Rey truly lives up to its title as King of the Missions.
