

Cans for Critters

- 1: Save all aluminum cans, glass bottles, and plastic bottles during the drive (through April 1, 2009).
- 2: Rinse cans & bottles, crush cans, and place them in a separate plastic bags (please tie all bags).
- 3: Write the number of cans & bottles and your child's name on each bag.
- 4: Bring the bags to your site. A staff member will give your child a receipt for the cans and bottles. The staff member will keep a record of the total number of recyclables for each child.

The zoo will provide the following prizes for students at the end of the Cans for Critters program.

- 200 recyclables - Cans for Critters pencil or shoelace
- 500 cans - animal portfolio or notebook
- 500 recyclables - patch
- 1000 recyclables - small plush animal
- 2,000 recyclables - large plush animal or two free Zoo passes
- 4,000 recyclables - large plush animal AND two free Zoo passes

Each student who participate in the Cans for Critters program will receive a Cans for Critters conservation patch

**Students who collect 1000 or more recyclables will earn a special, limited edition patch*

*In addition, the top 30 collectors will be invited to join a special jamboree on April 17, 2009 at the SD Zoo.

Thank you for your help and support. Our donations will help make a difference in the success of CRES, and will help preserve wildlife species for your children and their children in the future!
