## **The Civil War Adventure at Riley's Farm**

**Description:** Experience a sojourn into America's past, exploring the great conflict that divided state from state and brother from brother. The vast fields and orchards of Riley's Farm, in concert with Riley's Farm skilled staff of Civil War living historians, help students and families imagine the contours of Civil War life in a way that motivates ongoing study.

The day will start with a rousing town meeting in which our group will debate the war and decide whether to succeed, join the union or stay neutral. All sides will get a chance to argue their point and then spend time with Confederate and Union soldiers as they teach about their home states and the issues they face. Students will end the day by participating in a large mock battle!
